

MO-TSP4-NMP1 -- Nutrient Management Plan Services

Estimated Price Range: to \$0

Description of Work:

Provide all supervision, personnel, equipment, tools, materials, and other items and services necessary to develop nutrient management plans for livestock producers throughout the state of Missouri. The performance period is one year. The solicitation will be issued electronically on the Federal Business Opportunities web page. Request for hardcopy solicitation must be in writing. Fax your request to 573-876-0914. Note: Any prospective contractor must be registered at the following Internet site <http://www.ccr.gov>. In addition, prospective contractors must be registered on the TechReg website (<http://techreg.usda.gov>) for the Nutrient Management, Organic and Inorganic (Current) Category. The full pre-solicitation notice is posted on the FedBizOpps website. It is your responsibility to monitor the Fed Biz Opps web page for changes to the solicitation.
